

Maid in Peril

This combined volume contains all three parts of the Maid in Peril series. Maid Captive Part One of the Maid in Peril Series It was not what Caroline had hoped for. Clearing up the mess of wealthy visitors had not been part of the great escape she had planned. There could be no going home though; she wouldnt give her parents the satisfaction of being right one more time. And then came the Coopers, if that was their real name, rich, stylish, demure. They had everything she wanted and they offered her a share in their life. What would be the price for Caroline? Could she afford to pay? For not only were the Coopers wealthy and sophisticated, they carried also a darkness and a baseness that touched and opened an unexplored room in Carolines mind. Only she can decide whether it is worth opening that door and stepping inside. This 4200 word erotic tale is the first part of the Maid in Peril series. This book is intended for adults only. It contains mature themes of bondage, humiliation and graphic descriptions of debauched sex between consenting adults. Maid Whole Part Two of the Maid in Peril Series Caroline finds herself at the mercy of the mysterious Mr. and Mrs. Cooper. At once excited at her new position in their opulent home, she is soon to find that they are demanding employers and that Carls darkness is not wholly due to his appearance. She is under no illusions as to her duties and to what she must do to earn her keep; as long as Harriet is there to protect her she is willing to do anything... as long as Harriet is there. Can Harriet be trusted, or is it all just a game? This story is for adults only. It contains mature themes including; explicit sex, bondage, rimming, and rough sex. Maid Free The third and final part of the Maid in Peril series. Caroline has chosen to be the Coopers pet, chosen to ignore the humiliation and pain that such a choice might bring. The growing awareness of

Harriets feelings towards her will hold her steady. Or so she believes. She is not the only one who is aware. Carl Cooper is not a man to be toyed with. In this thrilling final story, Carl Cooper hatches a terrible plan that will destroy the blossoming love of the two women and plunge Caroline into a captivity far worse than she could imagine. Only Harriet has the capability to put things right, but does she have the courage to thwart her husband?
