Cancun (Spanish pronunciation: [ka??kun]) is a city in southeastern Mexico, located on the northeast coast of the Yucatan Peninsula in the Mexican state of Quintana Roo. It is a major world-renowned tourist destination, as well as being the seat of the municipality of Benito Juarez. The city is located on the Caribbean Sea, and is one of the easternmost points in Mexico. Cancun is located just north of Mexicos Caribbean coast resort band known as the Riviera Maya. The Riviera Maya was originally called the Cancun - Tulum corridor. The Riviera Maya is famous for its large scale all-inclusive resorts and a historical tourism base of smaller boutique hotels as well as the many fine-dining restaurants available along the highway 307 and on or near the beaches. Luxury travel entities have been instrumental in increasing luxury villa rentals and yacht charters in the area however these only represent a small fraction of the total tourism accommodation available.
