THREADS OF FRIENDSHIP: MARGE & BETH Book 3 of The Bunco Club Series
Be prepared to share your love of quilting and form lasting friendships when you pass through the doors of the Mayflower Quilters Retreat. Gather with fellow quilters as the world-class quilting haven hosts its soft opening. Follow Marge and Beth as they determine which threads they will hold dear and which ones must be clipped. Marge Russell balances her duties between General Manager of the MQR and unexpected issues of her personal life. Antagonized by her sister, Marge must decide how to proceed with their relationship. Where will first year college student Val Russells reckless behavior lead her, and will Marge be able to help her daughter? Losing an endless battle against the impulse to hoard, Beth Stevenson makes a choice to deceive her husband while safeguarding worthless items. Someone is cyberstalking Beth about her disorder, but who? Will hoarding drive her husband and family away and will Beth ultimately be forced to choose between her obsession and her family? Explore the power and shortcomings of families and friends in THREADS OF FRIENDSHIP: MARGE & BETH, Book 3 of The Bunco Club Series.
