

Dan Gookins Android Apps A to Z

A guide to apps common on all Android devices. From the Clock to YouTube, they're covered here -- including Amazon's Kindle for Android app. Written by Dan Gookin, original author of the For Dummies series. This book covers both Android phones and tablets, no matter which manufacturer. Here you'll find plenty of steps, in-context examples, cross-references, lots of tips and suggestions, plus ample humor! That's just what you'd expect from world class author Dan Gookin.
