

Loving The Bear: BBW Paranormal Bear Shifter Romance (Gray Bears Book 2)

Elle Redfern is done running. She has just bought a modest, little bakery and she hopes to finally be able to make a fresh start in this small town. She has never known love and happiness, and she wishes, with all her heart, that she could find true love and have a happily-ever-after. Like in a fairy tale. But her life is no fairy tale. She has the scars to prove it. Aidan Gray has just returned to Shadow Point, and he is the new deputy sheriff in town. While on patrol, he runs into Elle, who is running away from her vengeful, violent ex-husband. Aidan takes her home to his family to keep her safe. Elle is his, and she never has to run again. This is where she belongs, here, with him, in this town.

With the help of Aidan and his loving family, Elle learns that even a scarred, half-broken, half witch has enough power and magic to protect herself and her loved ones. With a wish, some magic and a lot of courage, Elle pushes back and fights for her very own happily-ever-after.
