

Tongues of Fire

A chilling and explosive tale of revenge set in the Middle East from acclaimed suspense novelist Peter Abrahams, aka Spencer Quinn, author of the Chet and Bernie Mysteries. After his unit is decimated in the Israeli war, Lieutenant Isaac Rehv returns to Haifa to find his family savagely murdered. Torn apart with grief and rage, he vows that his enemies and the enemies of Israel will pay. Months later, Rehv, who is a former literary scholar and professor of Arabic literature, has moved to America and is waiting tables at a local cafe in Manhattan. There, a chance encounter with a member of the Israeli resistance called Haganah and a botched assassination attempt will sow the seeds of a brilliantly orchestrated revenge plot. As Rehv prepares to unleash his secret weapon on an unsuspecting Islamic world, a terrorist watch group, led by a former CIA agent named Krebs, follows his every move. But Krebs may be too late to prevent the coming destruction.
