

## Beaches! Beautiful Beaches!

Beaches! Beautiful Beaches! is a picture book for kids that love beaches...or for kids that you want to introduce to beaches. This book is perfect for color devices because it has plenty of pretty pictures for your little one. Under every picture is a sentence or two with some information that you can read your child at bed time. Sometimes these sentences provide helpful tips for your child, such as wearing sunscreen or a life preserver on a rented beach boat.
