

## Saving Each Other (Sensual Lesbian Romance)

Brittney knew from the start that Lynn was wrong for her, but that didn't stop her from going back time and again, even when her bartending lover treated her like shit. She needed to break the cycle but wasn't sure how to do it. She felt guilty about leaving her ex alone. Ava was a shy girl, barely able to push herself to leave her apartment and venture into the crowded world that surrounded her. But when the two meet, Brittney's initial plan to push the shy woman towards Lynn backfires. Ava and Lynn kiss, and Brittney immediately realizes what a horrible mistake she's made. She feels a stab of jealousy, but not for her ex. She wants Ava to herself, but it may be too late
