

# Guide to the Worlds Top Universities: Exclusively featuring the complete THES / QS World University Rankings

Based on the Times Higher - QS World University Rankings, this is the definitive guide to the top universities around the world. It includes rankings of the top 200 universities in the world, plus detailed profiles of the top 100 universities, including student assessments of what life is like at each university. It offers a directory of over 500 of the best universities in the world along with their ranking position in each of the principal subject areas. It presents reviews of the top ten study destination countries, with a detailed look at government grants and subsidies for overseas students, types of institution, entry requirements, cost of living, student life and much more. It provides expert advice on how to choose and apply for the best course at the right university, and an overview of employment opportunities. It gives detailed help and advice on study costs, financing and scholarships.
