

Foster Parenting: The Ultimate Guide To Foster Care - How To Create A Comfortable, Loving And Stable Home For A Foster Child (Adoption, Parenting, Child Care)

Foster Parenting The Ultimate Guide To Foster Care How To Create A Comfortable, Loving And Stable Home For A Foster Child Congratulations on deciding to foster a child. This is an amazing decision full of sacrifices, but with a payoff that speaks volumes of your character and love. Now that you are ready to start the journey, you may have a lot of questions such as what do I have to do to foster a child and what can I expect from the child? We will learn the general requirements in place for fostering a child, the glaring disqualifiers, and the process by which you will be approved to foster a child. From there we will learn what your child will be like. We will address common mistakes first time foster parents make by expecting a well behaved child. We will take a realistic look at what to expect, as well as the common reasons behind the misbehavior. My hope it that this ebook will provide you with the tools you need to prepare for the arrival of your child and the knowledge to provide them with a stable environment they so desperately need. All parents know that parenting is hard work and requires discipline and consistency. Foster children require special care and discipline. We will discuss several discipline methods that work -without the use of corporal punishment- which is forbidden when it comes to foster kids. From preparing your home, your expectations, and your discipline you should be well on your way to successfully fostering your first child.
