

Treat

As the old saying goes, Give a dog a ball, and hell beg to play for days. But give a dog a treat, and hell never stop begging. In this companion to Mary Sullivan's Geisel Award-winning *Ball*, there's a new dog in town and he is focused on finding a treat, no matter the cost. But endless tricks and futile searching (you can't eat Grandma's dentures!) can be pretty exhausting. Just when he's about to give up hope ... what's this? TREAT! In this hilarious and heartwarming graphic novel/ picture book hybrid, readers will rejoice and laugh as they recognize the silly, but always determined, behavior of man's best friend.
