

Punished by the Vampire

When Holly wanders off from a Halloween party into the forbidden wing of Dragdon Manor, she has no idea the danger that awaits. She encounters Adrian, the most seductive man shes ever met and is mesmerized by the flecks of gold in his eyes. Its as if they speak to her very soul. In a near trance, she follows him into another room which turns out to be a stage. Adrian seduces Holly into an seductive show she will never forget, one that might have deadly consequences. Word Count: 5,100+ A Little Tease of Whats Inside: A breeze whipped the first tendrils of fog across the ocean. The moon cast fingers of ghostly light across the fog as it seeped into the garden below. A shiver raced up her spine. A mans voice cut through the silence. Good evening. Are you enjoying the party? Surprised, Holly jumped and turned to him. She sucked in a breath then tilted her head up to take in every inch of his seductive beauty. Moonlight rimmed his hair in a silvery glow. His devilish features sent a ripple of desire though her body. For a second, nothing moved, not even a breath of air. She couldnt hear the crash of the waves against the cliffs. The chill left the air. Even the ever present rustle of her skirts stopped. He stepped toward her. A long black cape cracked behind him like a whip. His deep voice broke the spell. I didnt mean to startle you. Her hand fluttered to her neck. She twisted a long string of pearls between her fingers. I didnt hear the door open. A smile played across his thick sensual lips. I can be quiet when necessary. Somewhere in the back of her mind she knew something about the man was very strange. Completely secluded and alone, a whisper of warning tingled up her back. Were you trying to sneak up on me? No. Mesmerized by the flecks of gold in his eyes, she couldnt look away. The depth of passion contained in those eyes stunned her. She wondered what he was like in bed, and then quickly shook

the thought away. I was just going inside. As she brushed past him, he caught her upper arm with one hand. Warmth flooded the lower part of her body. Stay for a moment. She opened her mouth intending to say no. Just for a minute. You have something that I want. His eyes locked with hers and he caressed the goose bumps on her arm. She couldn't look away from the desire in his eyes. They captivated her and set her into a light trance. She spoke in a whisper. What do you want? You, in every way imaginable.
