

# Trending on the Toilet: #ThingsToReadOnTheThrone

This isnt a book so much as a collection of things you can read when you have a minute. Some of the sections are longer, for when you have more than a minute. For your pleasure, Ive curated funny and serious tidbits to make the minutes fly by. And, well, because I care I hope things come out okay. I wrote this book to all of those people reading the back of aerosol cans. This book is for you, my friends.
