

Trust: Temptation Series, Book 3

Audie Award Finalist, Erotica, 2016 Trust - verb: to believe in the reliability, truth, or strength of another. Up until now Logan Mitchell has never had much of a reason to trust anyone. Having struggled with a self-identity crisis throughout college, he spent the years since then creating a sophisticated facade to present to the world. It's an armor he thinks is impenetrable - until he meets Tate Morrison. The gorgeous, headstrong bartender he sat across from only months ago has taken a tight hold of his heart, and Logan is discovering that it's time to let go. It's time to let someone inside. After years of placing his dreams on hold for his family, Tate has finally chosen to do what makes him happy and follow his heart. The one thing he never would've imagined was that it would lead him into the arms of a man - and not just any man but the striking, never-takes-no-for-an-answer Logan Mitchell. Tate has fallen hard. And as his world is turned on its axis and they move forward together, he finds his life becoming more entwined with the confident, successful lawyer. Even though neither man expected the other, it's time to trust in their relationship - but not everything comes so easily.
