

## Turok: Dinosaur Hunter Volume 2 (Turok Dinosaur Hunter Tp)

Turok has faced horrible forces from the east... but whats now coming from the west? From the mind of Greg Pak, celebrated writer of Batman/Superman and Action Comics, comes a bold, new vision of the Dinosaur Hunter that you never saw coming! Having defeated an incursion of vicious Crusaders, Turok seeks out the great mound city where his cursed parents rest for eternity. When warriors riding flying reptiles disrupt the peace, he discovers that his home is the latest conquest of Mongol hordes. Can Turok stop their invasion of North America... or will he switch sides and become the Khan of the New World?
