

Turquoise: A Chefs Journey Through Turkey

Greg and Lucy Maloufs classic book is now in paperback. In *Turquoise* Greg and Lucy Malouf delight us by bringing their own inimitable blend of food and travel writing to the Turkish culinary landscape - one which remains curiously unexplored by many of us in the Western world. Greg and Lucy journey through a land where the rich diversity of climate, countryside and architecture provide a fitting background for an equal variety and richness of cuisine. Join them as they visit spice markets and tiny soup kitchens, taste fish sandwiches on the Bosphorus, enjoy Ottoman banquets in fine restaurants and drink *chay* in ancient tea houses. Inspired by the foods they discover along the way, some of the recipes in *Turquoise* are classics, such as Dumplings Filled with Cheese and Mint and Sticky Pistachio Baklava. Many more spring from Gregs unique talent and imagination, which combine here to create dishes like Spicy Red Pepper Soup with Hamsi Toasts; Tulum Cheese Salad with Roasted Walnuts, Rocket and Mint; and Clotted Cream Ice Cream with Apricots and Fresh Honeycomb.
