

Twelfth Night or What You Will: The 30-Minute Shakespeare

This cutting of Twelfth Night is edited to seven key scenes, opening with the Weird Sisters predicting Macbeth's fate. Also included are Macbeth and his villainous wife plotting to murder King Duncan, the appearance of Banquo's ghost at the banquet, the Witches' unforgettable double double toil and trouble scene, and Lady Macbeth's riveting out, damned spot sleepwalk. In the finale, the entire cast recites Macbeth's poignant tomorrow, tomorrow, and tomorrow speech in unison.
