

Poser

MEAN GIRLS meets BLUE CRUSH Tallulah Jones didn't mean to lie about being an expert surfer to Jenna, the most popular girl at her new school. So what if she's only tried surfing once, with disastrous results? How much harm could one little fib do? Well ... a lot, actually, in the form of a humiliating, near-death experience in the water that might forever ruin Tallulah's chances with Jenna and her cute older brother, Corey. Now officially labeled a poser, only a miracle can save Tallulah from outcast hell--one that arrives in the form of Katie, a frizzy-haired, nearsighted, completely unhip surfing phenom who takes Tallulah under her wing and teaches her to surf. But it will take more than learning to surf to change Jenna's mind and win Corey's heart. Tallulah will have to prove that she can be the real deal--both as a surfer and as a friend. A great book for girls who surf, fans of *Soul Surfer* and *Bethany Hamilton*. Poser also includes tons of tips for girls learning to surf.
