

Scare a Bear

Do you know how to scare a bear? Would you bang pots and pans? Would you rattle some cans? Would you shout? Would you yell? Would you ring a loud bell? Do you know how to scare a bear? How would you scare a bear out of your cabin? Or out of your fishing boat? How about away from your campfire? And what if he climbed in your bunk? Would the bed go kerplunk? From the author-illustrator team who created *Moose on the Loose* comes yet another example of the high jinks and hilarity that happens when wildlife wanders indoors. In this contest of wills, who will win? And once again, by story's end, young campers will know exactly how to scare a bear!
