

## Harry Danced Divinely (Giffort Street Stories Book 3)

There were some things Lillian Levinson couldn't say, even to herself... In the collected Giffort Street stories, you'll enter seven gracious homes on an elm-lined street in the 1950s. You'll meet self-absorbed parents who are unaware of how their trusted nanny is shaping their daughters' lives, a decent young man uncomfortable being treated like a hero, a couple whose bedroom furniture nearly destroys their marriage, a man who realizes that the first neighbor he meets after he moves in is a bigot, and a family fighting a war in their living room. In the title story, Harry Danced Divinely, the lack of a tea bag makes an elderly Jewish woman decide to teach her spoiled adult son a shocking and well-deserved public lesson. The stories Harry Danced Divinely, A Perfect Nanny, An Authentic Hero, and Neighbors are exclusive to this book. The Queen Anne Bedroom Set and the novella War Zone, which are available as singles, are also included.
