

## Vampire Fuckfest Volume One

Lily the vampire feeds on human emotion, and there's no more powerful emotion than lust. When she brings a young stud home for a feeding, she learns that his girlfriend offers her an even stronger fix. Unfortunately for them, their wild night of passion is rudely interrupted by Lily's vampire master--Adnan. When the prey is forced to endure his unwanted attention, Lily doesn't take it kindly. This 3300 word short story includes fangs, claws, oral sex, male/female sex and a befuddled stud locked in a cage.
