

## Vampire Hunter D, Vol. 3: Demon Deathchase

The novel that was the basis for the hit motion picture Vampire Hunter D: Bloodlust is available in English for the first time! The third volume of the popular Japanese series Vampire Hunter D comes to America in Vampire Hunter D: Demon Deathchase. The vampire hunter known only as D has been hired by a wealthy, dying man to find his daughter, who was kidnapped by the powerful vampire Lord Meierlink. Though humans speak well of Meierlink, the price on his head is too high for D to ignore and he sets out to save her before she can be turned into an undead creature of the night. In the nightmare world of 12090 A.D., finding Meierlink before he reaches the spaceport in the Clayborn States and gets off the planet will be hard enough, but D has more than just Meierlink to worry about. The dying man is taking no chances, and has also enlisted the Marcus family, a renegade clan of four brothers and a sister who don't care who they kill as long as they get paid. Beautiful illustrations by Yoshitaka Amano complement the post-apocalyptic plot, filled with chilling twists. FOR MATURE READERS
