

Left For Dead

Something She Cant RememberWhen Claire Shaw wakes in a Seattle hospital, she remembers nothing of what has happened to her. She doesnt recognize the concerned faces of her husband and friends. She knows only that she is lucky to be alive, the single surviving victim of a vicious serial killer. Someone Who Wont ForgetShe was a mistake--not like the others. She didnt understand. That was obvious now. But she would come to understand. Next time, there would be no escape--and her eyes would fill with that perfect, beautiful terror. . .Some Things You Cant ImagineOn an island isolated from the mainland, Claire has returned to a life she barely knows anymore. A town that feels as if it, too, is hiding something in its dark woods, remote cabins, and chilly smiles. Bit by bit, Claires memory is taking terrifying shape in a place where fear is very much at home. . .Praise for the Novels of Kevin OBrienAnother taut page-turner.--Seattle Post-IntelligencerOBrien does what he does best: keeping the suspense at unbelievably high levels.--The Midwest Book ReviewImaginative, well written. . .add this book to your summer reading list.--Times Record News (Wichita Falls, Texas)
