

Storm: (Blood Legion MC) (Bad Boys of X-Ops Book 3)

What happens when the boss lady teams up with a badass alpha male during an outlaw MC takedown ... **STORM** Im headed back to the Blood Legion MC in New Orleans, my old stomping grounds. Guns. Thugs. Broads. Cocaine nightmares. A Mexican cartel, cracker coke runners, and now theres a new international threat in town. Blaize Carmichael is my only partner in this op. Blaize. As a biker babe. Jeeesus. Ive had a bone for her from day one when she walked into headquartershaughty, superior, and always in charge. Theres a goddamn good chance well get made, played, and put in the grave as government-issue traitors. But I cant help itI love to get rough, raw, dirty, and dominant with her. No more yes maam, no maam. Blaize is about to find out I dont always takes orders as issued. **BLAIZE** I cant stand the way Storm calls me woman or cher or sexy. As soon as were back in DC, Im going to wipe that infuriating wicked smirk right off his dangerously handsome face. Im always prepared for every scenario. Ive built my career on complete professionalism in and out of the field. But when Storm comes at me with wild animal lustwhen he opens up to mewhen he opens me up, I cant say no. I dont want to. Were in danger every single day we stay in NOLA. There is no way we can make it out alive. Not together. Not this time. Please note: This story includes a discussion of rape. This painful conversation is necessary for the growth of the couples relationship. Bad Boys of X-Opsfour part series: Walker: Available now Justice: Purchase now!
