

Wanderlust

The world is waiting for her and he's waited long enough. Meg Snow is having hot and wild sex with Cory Travenin her dreams. Four years ago he had his chance for a relationship with her. Instead, he joined the military, leaving her to endure Milcott, South Dakota, on her own. Now it's her turn for adventure and a chance to banish those erotic Cory fantasies once and for all on a singles cruise to Jamaica. Cory has come home for what he denied himself four years before. Meg. But she's made it clear she wants anyone except him. There's only one way to show her that what she wants and what she needs are two different things. How? Storm the beaches of Jamaica. Infiltrate his way into her bed. Breach the walls of her heart. And show her that paradise is not in the Caribbean, but in his arms. Warning: This title contains scorching sex on the beach, in the shower, in bed, and against a wall. A hot hero with a wicked tongue who goes after what he wants and a heroine who gives it to him again, and again and again.
