

Where All Light Tends to Go

A Finalist for the Edgar Award for Best First Novel Remarkable ... This isn't your ordinary coming-of-age novel, but with his bone-cutting insights into these men and the region that bred them, Joy makes it an extraordinarily intimate experience. Marilyn Stasio, *The New York Times Book Review* Lyrical, propulsive, dark and compelling. Joy knows well the grit and gravel of his world, the soul and blemishes of the place.--Daniel Woodrell

In the country-noir tradition of *Winters Bone* meets *Breaking Bad*, a savage and beautiful story of a young man seeking redemption. The area surrounding Cashiers, North Carolina, is home to people of all kinds, but the world that Jacob McNeely lives in is crueler than most. His father runs a methodically organized meth ring, with local authorities on the dime to turn a blind eye to his dealings. Having dropped out of high school and cut himself off from his peers, Jacob has been working for this father for years, all on the promise that his payday will come eventually. The only joy he finds comes from reuniting with Maggie, his first love, and a girl clearly bound for bigger and better things than their hardscrabble town. Jacob has always been resigned to play the cards that were dealt him, but when a fatal mistake changes everything, he's faced with a choice: stay and appease his father, or leave the mountains with the girl he loves. In a place where blood is thicker than water and hope takes a back seat to fate, Jacob wonders if he can muster the strength to rise above the only life he's ever known. From the Hardcover edition.
