

WONDER WOMAN COMIC BOOK COLLECTORS GUIDE, VOL. 2: THE SILVER AGE: Every Cover 1942-1955 (WONDER WOMAN COMIC BOOK COLLECTORS GUIDES)

WONDER WOMAN COMIC BOOK COLLECTORS GUIDE, VOL. 2 THE SILVER AGE: Every Cover 1942-1955 THE SILVER AGE OF WONDER WOMAN 1956-1970 Wonder Woman was created by the American psychologist and writer William Moulton Marston and drawn by H. G. Peter. The character first appeared in All Star Comics #8 in December 1941 and first cover-dated on Sensation Comics #1, January 1942. The Wonder Woman title has been published by DC Comics almost continuously except for a brief hiatus in 1986. Her depiction as a heroine fighting for justice, love, peace, and gender equality has led to Wonder Woman being widely considered a feminist icon. Created during World War II, the character was initially depicted fighting Axis military forces as well as an assortment of colorful supervillains, although over time her stories came to place greater emphasis on characters, deities, and monsters from Greek mythology. In the decades since her debut, Wonder Woman has gained a formidable cast of enemies bent on eliminating the Amazon, including classic villains such as Ares, Cheetah, Circe, Doctor Psycho, and Giganta.
