

X/1999, Vol. 10: Fugue

X/1999 is a character-driven apocalyptic fantasy series. In this installment, a startling discovery is made in the depths of the Clamp Academy: Just as Kamui had a twin star, so does the sacred sword! Meanwhile, Hinotos dreamgazing becomes increasingly disturbing. When Kamui joins her for a session, painful memories are unearthed from deep within his psyche. Can Kamui handle the subsequent flood of emotion? Already a hit, X: The Movie has been released in Japan and in the U.S.
