

2012 Daykeeper Maya Calendar

2012 Booklet desk calendar featuring ancient Maya 20-day months synchronized with standard Gregorian calendar months. A 30-page introduction graphically illustrates and explains Maya calendar fundamentals and the significance of the 13th baktun cycles completion on December 21, 2012. Maya month graphics are presented in the style of rubbings of carved stone glyphs. Counts down to 12/21/2012 in calendar pages formatted in 7-day week pages with Maya day glyphs and numbers for each day.
