You finally found it! The proven How-to Weight Loss System for a healthy, sassy You! What woman doesnt want to know where her G-Spot is and how to lose weight? Your Weight Loss G-Spot is a make-it-happen weight-loss book that combines the fundamentals of nutrition and healthy eating with the mindbody heart targeted coaching required to get you to your goal and to make it stick. Just as the G-Spot is elusive to many women, so too are the secrets to lasting weight-loss success. We have cleverly and humorously aligned these two quests throughout their informative and interactive guide to losing weight and keeping it off. The metaphor of sexual bliss is interwoven seamlessly throughout this how-to, keeping the tone light and helping to drive the main message home. People often feel vulnerable and self conscious when topics of weight and sex come up this book is about exploring the intimate dark corners to ensure this is a life style change success. This guide is a must-read for anyone seeking a fresh new way to break out of the dieting cycle. You will learn how to Detoxify the body for comfortable and easy weight loss Drop pounds and inches fast, without gruelling workouts or starvation Shed unwanted fat by eating foods you love, including carbs Get rid of stubborn belly fat Identify the triggers that lead you to bottomless pit eating Eat foods that increase your energy and that also help you sleep more soundly Trigger fat-burning hormones to lose weight effortlessly Eat so you feel energetic and vibrant every day Eat for nourishment, not emotional and short-lived satisfaction What Will I Experience on the Weight loss G-spot System? You will experience weight loss and flush away stubborn body fat quickly You will have a reduction of symptoms like indigestion, bloating, and fatigue You will learn easy ways to speed up your metabolism without going to a gym You will get rid of
