

Zagatsurvey 1997 Update New Jersey Restaurants (Zagat Survey New Jersey Restaurants)

This update reflects the significant developments in New Jersey since our previous survey. The 1997 Additions adds 38 key places to our already extensive 770 restaurants in New Jersey making our book a veritable bible for New Jersey restaurant goers. The information compiled in this book is based on the surveys filled out by 2,400 New Jerseyans. Zagat surveyors offer written commentary and score each establishment on a 0-to-30 scale for Food, Decor and Service, as well as providing an average cost-per-meal. Extensive indexes make it possible to find just the restaurant you want.
