

## Zapizapu Crosses the Sea: A Story About Being Fair

Lets take a journey with our children across the big, wide, deep blue sea! We will discover the delicious zapizapu and learn about the people that grow it. Then, as we follow zapizapus journey as it crosses the sea we will learn what it means to others when we pay a fair price for the things we enjoy.

Zapizapu Crosses the Sea is a fascinating childrens book. The script and colourful illustrations work together to simplify the concept of international trade and personify those involved around the world from grower to consumer. In its rawness we discover that the simple yet important concept of playing fair is important for children and grown ups alike.
